The Hub for **Doctors & Hospitals**

An exclusive space designed for
Healthcare and Medical Industry Professionals

15 - Clinics / Hospital
04 - Showrooms

Consulting Doctor

Doctors are the pillars of our society and hence, they deserve highly functional spaces to treat patients. We cater to exactly that requirement with clinic space in the building.

Surgeons

Highly technical and precise, our space is designed to fit every single requirement of a surgeon. Customise your clinic the way you like it

Hospital

RK Prime Plus is laid out in a way that facilitates ease of movement, hence making it the perfect spot for a full functioning hospital with a regular influx of patients.

Diagnostic Center

Detection is important to recovery and here, we recognise that. Diagnostic centers offering a host of tests will be able to find a home in this space.

A place for healing, a place for living

While the inside is outfitted with the latest technology and facilities, the outside is stylish and appealing. We want to make the medical experience easy and comfortable for patients.

Connectivity to the best medical services

RK Prime Plus is strategically located to offer easy access to patients across the city. It is poised to become the medical hub of the area with the hot of facilities and services offered here.

The journey to recovery begins here

Doctors, surgeons, diagnostics: Everything has a home here.
Designed to make foot traffic flow more easily and efficiently, this is where real recovery will begin.

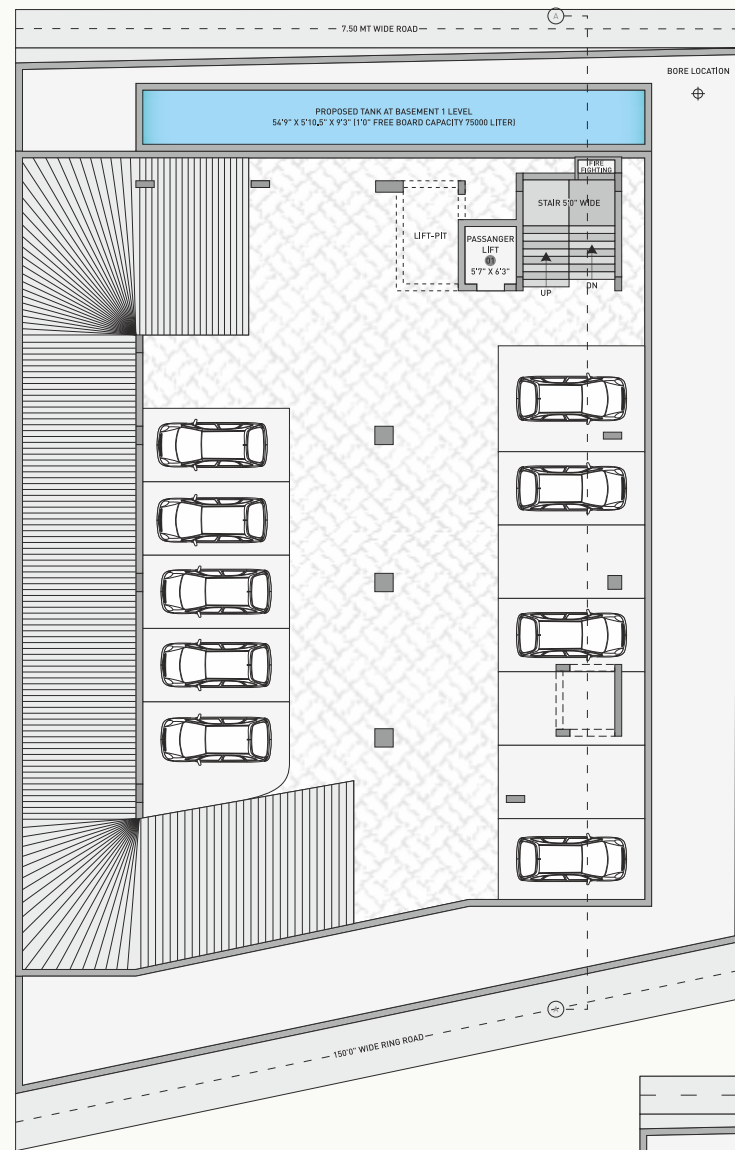

Create a quality experience in a quality building

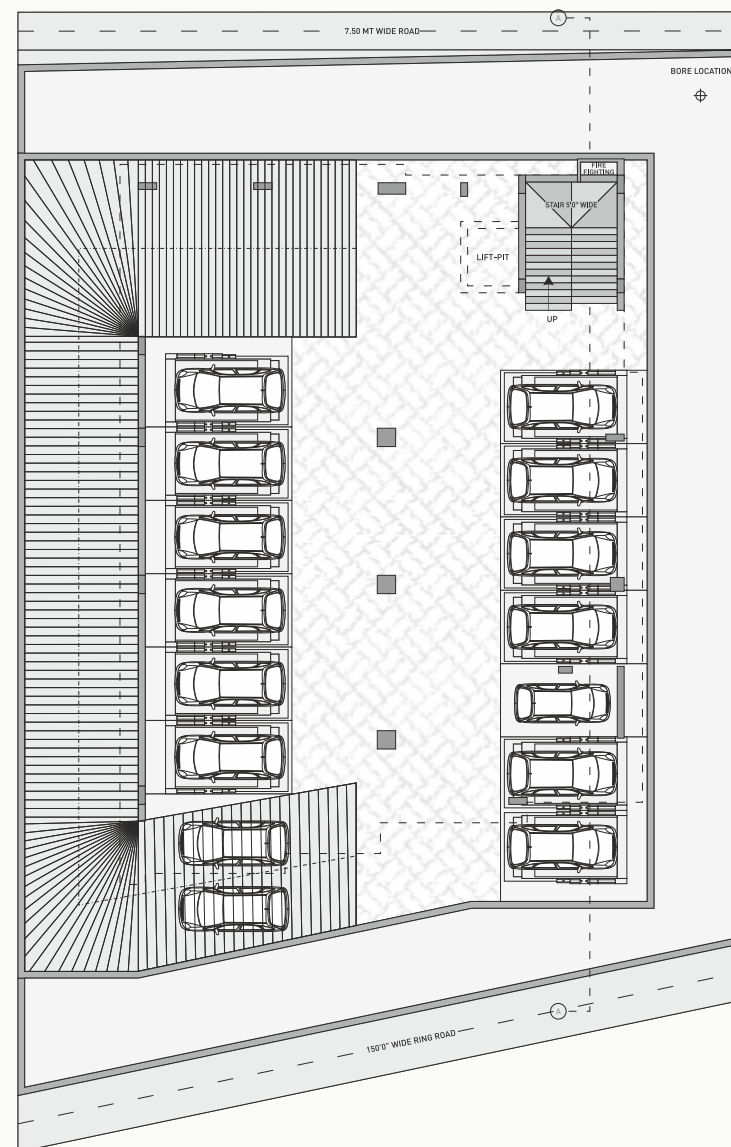

Our elevation is simple but elegant, allowing this building to stand apart from all others, not just in design but all in terms of its facilities and services.
